

Fig. 1

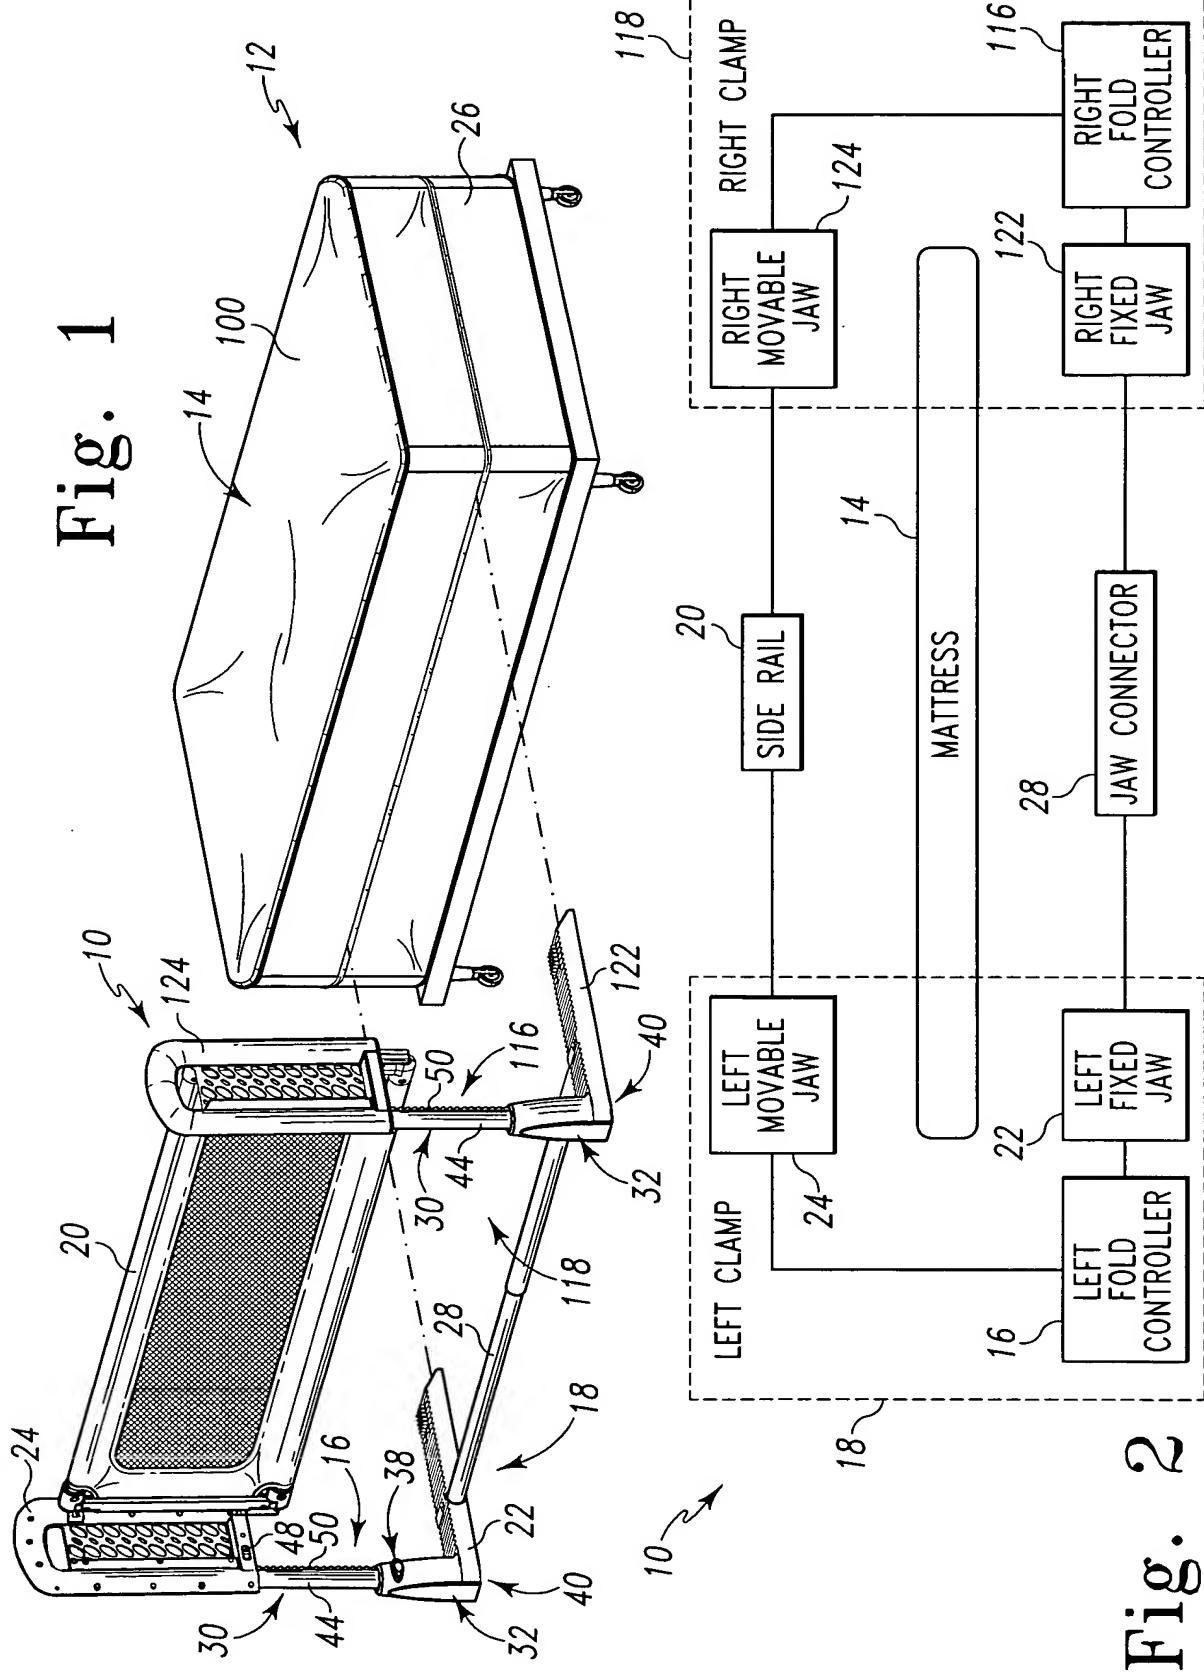

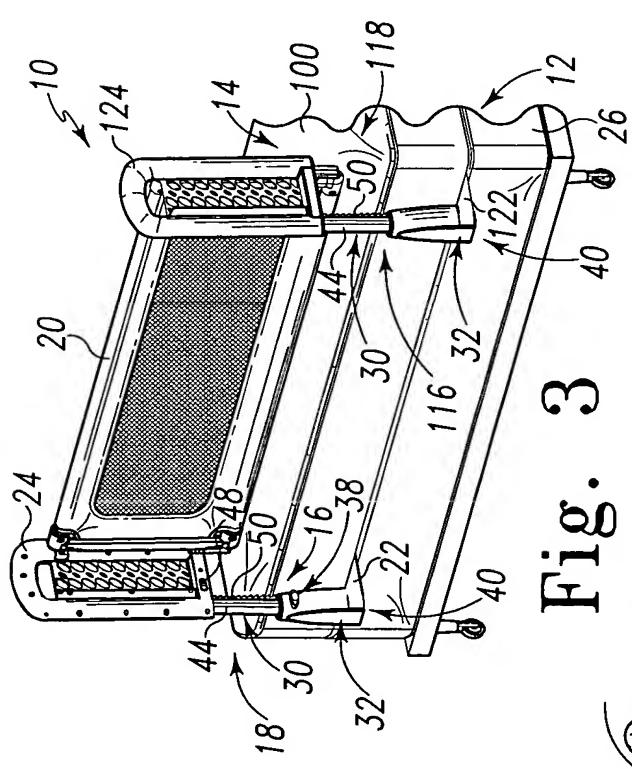

Fig. 2

Technical drawing showing a mechanical assembly. The drawing is labeled 'Fig. 3' on the left and 'Fig. 4' on the right. The assembly consists of a base plate with a central hole. A vertical rod is attached to the base plate, with a circular component at the top. A horizontal rod is attached to the vertical rod, extending to the right. The horizontal rod has a slot or track. A small circular component is shown in the slot. Numerical labels 12, 26, 40, and 12 are present on the drawing, likely indicating part numbers or dimensions.
